

## **Alde Community Council Report**

### **for APM May 23**

The ACC still exists, having taken a backseat since the Covid lockdown. It still has some funds. These were used to back two community events in the last year, the Spring Flower Show and a Shopping Coach to Norwich on the last Friday in November. Both were successful. It also provides a license for any raffles and draws held in the two villages

The ACC also holds a separate fund to provide equipment for First Responders operating in the three villages. Sadly the future of this volunteer help for local people is in question.

**Jenny Tyson (chairman)**
